

## **Pathways College Graduate Requirements**

### **Bachelor's Degree Requirements**

All baccalaureate degrees at Pathways College require completion of three categories: general education, major requirements; and other requirements. Refer to the Bachelor's Graduation Checklist.

### **Total Units**

A minimum of 120 units are required. No more than 90 units taken may be transferred in or competency tested out. A minimum of 30 credits just be taken in residence in order to receive a degree from Pathways College.

### **Upper Division Units**

A minimum of 40 upper division units is required to graduate. Pathways College upper division courses are numbered 300-499.

### **General Education/Graduation Requirements**

All students under the 2016-17 University Catalog must complete 48 units of General Education requirements. Additional graduation requirements are noted below. General Education program requirements and approved General Education courses may be found in the Catalog (current online version).

- **English Composition** - One course of college-level English Composition for Business Administration Majors and two courses for Liberal Studies. English 100 Composition (BA and LS) and ENG326 Telling Stories: The Art and Craft of the Memoir (LS only), are required with a grade of C or higher.

### **Residence Units**

At least 30 units must be taken at Pathways College (in residence) including a minimum of 12 upper division units in the major.

### **Grade Point Average**

An overall grade point average of 2.0 is required in the following areas:

- Total courses attempted
- Pathways College courses attempted
- Upper division courses applied to the major
- Courses used to complete General Education requirements.

Refer to the Pathways College catalog for GPA calculation. Departments may impose additional grade point requirements and/or GPA requirements.
