We offer versatile degrees that are designed to prepare students for an

array of career options while guiding them towards a clear and predictable career path. By providing students with the skills to adapt to an ever-shifting labor market, our programs allow each student to achieve their educational goals and start their new career. And with an understanding of what students need to succeed, Pathways College staff and faculty care about the success of our students.

Pathways College has applied for Title IV funding and has is accredited by WASC Senior College and University Commission (WSCUC).

Get your Bachelor's degree in 3.3 years.

Bachelor of Arts in Business Administration is an excellent choice for those students who want to get a broad exposure to the business world and a solid foundation in business fundamentals, including accounting, finance, economics, management, marketing, and information systems. Our online courses can provide experience in each of these fundamentals, and offer a lot of knowledge that can be applied in the business world. It is a versatile degree for students that are team-minded, good at solving problems, resourceful, and creative.

- Finance
- Accounting
- Advertising and Marketing
- Entrepreneurship and Management
- Human Resources

Bachelor of Arts in Liberal Studies

program provides students with an educational foundation that promotes blending and analyzing knowledge in a wide array of disciplines. With an emphasis on critical thinking and effective communication – skills that translate directly to job performance – graduates are prepared to be leaders in their profession and community. The program is also excellent preparation for those interested in pursuing a career in education and/or a teaching credential, as program participants complete coursework in several subjects that can be effectively translated to classroom instruction.

About Pathways College

The mission of Pathways College is to provide opportunities for students to realize their dreams by removing financial barriers in attaining a college education. The faculty and staff are dedicated to instilling the core themes in the students through a challenging, innovative, and rigorous curriculum.

The vision of Pathways College is to create a post-secondary choice for students who are underserved in our communities by providing a quality education that is personalized and accessible without generating the burden of debt to the student or their family.
